

CLEARING / GRUBBING AND GRADING PERMIT SUBMITTAL REQUIREMENTS / PROCEDURES

All clearing/grubbing and grading permits shall be logged in under a Hansen permit number that will be used in direct relationship to a C-Log project.

REQUIREMENTS

1. DCP Compliance Report
2. Dust Control Permit (Clark County Health District)
3. One set of approved grading plans. Please note, Building and Safety will not keep a copy. The approved set is on record in the Plans Library.
4. Total acres (clearing and grubbing)
5. Total cubic yards of material being moved, cut and imported (grading)
6. Permit cost: Refer to Grading Fees Chart (Table 3-H)
7. Valuation (necessary for statistical report)

Each recorded subdivision will be issued a separate permit.
